COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents:

The Examiner provided a Statement of Reasons for Allowance on pages 2-4 of the Notice of Allowability dated June 8, 2007. The Statement identified some claim language, in italicized form, as being limitations that were not disclosed by the cited references on record. However, it is noted that the Statement did not fully and precisely recite the full and precise language in each and every independent claim. Further, the Statement did not provide a reasons for allowance of the dependent claims. Still further, the Statement discussed only one of the references of record. It is noted herein that the claims are allowable based on the recitations contained in each and every claim, and not just based on the italicized language provided by the Statement. It is also noted that the claims are allowable over all of the references on record, and

not just over the specific reference discussed in the Statement. It is further noted that the dependent claims are allowable by virtue of their dependency upon allowable base claims, and further by virtue of the recitations contained in each and every dependent claim. Accordingly, the scopes of the claims are not to be limited by the Statement.

Respectfully submitted,
